## Company Overview

We are one of the few 100% woman-owned and veteran-owned language services consultancies in the United States.

Allow us to support your organization in connecting and disseminating important information to people from multiple linguistic and cultural backgrounds.

Leverage our on-demand, short-term and long-term professional staffing support for language services projects of all sizes and complexities.

## Core Competencies

- Foreign language translation and interpretation
- American Sign Language (ASL) interpretation
- Foreign language typesetting and layout
- Technical writing and notetaking
- Language accessibility project management
- Copy writing, editing, and proofreading
- Linguistics research and special projects
- Business event escort and representative services
- Grant and proposal management
